TIME: 5:00 PM TO 7:00 PM

West Oso ISD is excited to announce that we will be hosting a community event, the Celebration of Education, scheduled for Thursday, April 25, 2024, from 5:00 pm to 7:00 pm at West Oso Junior High School, 5202 Bear Lane, Corpus Christi, TX 78405. This year's theme is: *One District, One Community, One Pack*. We will be honoring our generous partners and donors that enrich our students and support our staff throughout the year.

This event will include displays of student work and demonstrations of hands-on educational activities in all curricular areas. Students will represent all four campuses in the district, showcasing both during the day learning as well as after school activities in grades Pre-K through 12. The Texas ACE After School program will be featured as well. This is an opportunity for the district's artists, athletes, musicians, and scholars to shine.

The evening will feature performances in the auditorium by the West Oso High School and West Oso Junior High School Bands, Mariachi, Cheerleaders, JROTC, as well as performances by our Dazzling Bears dance team.

"The Celebration of Education is a unique opportunity for community members, potential employees, families, and students to come out and see what our district has to offer. We are an open enrollment district that invites transfer students to become part of our Bear Family," shares Kimberly Moore, West Oso ISD Superintendent.
