CORPUS CHRISTI, TX 78405

West Oso ISD is excited to announce its upcoming District Convocation, a dynamic and inspiring event set to launch the 2025-2026 school year with enthusiasm, purpose and unity.

This event is scheduled for Monday, August 4, 2025, at the West Oso Junior High School Auditorium, 5202 Bear Lane, Corpus Christi, Texas 78405, from 8:30 am to 10:30 am, brining together educators, administrators, and support staff from across the district.

This year's convocation theme, "Writing Our Legacy Without Limits" reflects West Oso ISD's unwavering commitment to honoring the strength of its past while boldly advancing a future that empowers every student, educator, and community member.

At this year's District Convocation, the West Oso ISD Education Foundation will continue its mission of supporting educators and students by sharing opportunities for teacher grants and other staff incentives. The Foundation remains committed to partnering with donors and the community to provide resources that ignite teaching, inspire learning and maximize innovative opportunities for all students across the district.

The convocation will also feature engaging student performances, important district updates, and a program designed to set the tone for a successful school year. "This year's theme, "Writing Our Legacy Without Limits," is more than a slogan-it's a call to action," said Kimberly Moore, Superintendent of West Oso ISD. "It challenges us to build on the legacy we've inherited while removing barriers that stand in the way of student success. Convocation marks the beginning of that journey, and I look forward to the amazing work we will do together this year."

As the 2025-2026 school year begins, West Oso ISD stands united in purpose and bold in vision – ready to inspire, empower, and write a legacy that knows no limits.
