### WEST OSO ISD ANNOUNCES MS. DAWN MARSHALL AS THE 21<sup>ST</sup> CENTURY PROGRAM DIRECTOR

West Oso Independent School District is proud to announce Ms. Dawn Marshall as the new 21<sup>st</sup> Century Program Director. Ms. Marshall brings a wealth of experience and dedication to education, ensuring the district's programs continue to provide high-quality academic enrichment and support for all students.

Ms. Marshall transitions into the role of 21<sup>st</sup> Century Program Director after serving as the West Oso Junior High School ACE Site Coordinator, where she demonstrated exceptional leadership and a commitment to student success. She is also a proud alumna of West Oso High School, Class of 1990. In her new role, she will oversee the 21<sup>st</sup> Century Afterschool Program, which provides students with vital after-school opportunities designed to enhance academic achievement, promote character development, and engage families.

"We are excited to welcome Ms. Dawn Marshall to a leadership position within the West Oso ISD family," said Kimberly Moore Superintendent of Schools. "Her commitment and passion for student success, and vision for innovative programming align perfectly with our district's goals to enrich the lives of our students and their families."

Ms. Marshall holds a Bachelor of Science in Occupational Training & Development/Department of Special Services and a Masters of Science in Special Education both from Texas A&M University Corpus Christi. "I am honored to serve as the 21<sup>st</sup> Century Director and look forward to working alongside the district's educators, families, and community partners. Together, we will create enriching opportunities that empower our students to succeed in school and beyond."

Please join us in congratulating and welcoming Ms. Marshall as she begins her work to lead the district's 21<sup>st</sup> Century Program and create pathways to success for all students.
