1102 VILLARREAL DRIVE
CORPUS CHRISTI, TX., 78416

The newly revitalized West Oso ISD Education Foundation will be awarding its first set of Innovative Teacher Grants on Tuesday, December 3, 2024. The Foundation will be awarding a total of nine grants. The awards will be presented on behalf of the WOISD Education Foundation Board of Directors to teachers at West Oso High School, West Oso Elementary School and John F. Kennedy Elementary School.

Due to ongoing budget shortfalls and lack of funding for classrooms, the Innovative Teacher Grants are intended to bridge the gap between funding sources while giving students the opportunities to participate in learning activities that enrich and enhance curriculum.

These awards coincide with Giving Tuesday, a day set aside to promote generosity, community engagement, and giving back. You can partner with the West Oso ISD Education Foundation in supporting the next generation of leaders by funding student scholarships, innovative classroom programs, and enrichment activities that shape the future of our community.
