West Oso ISD is pleased to announce Ms. Eduvina Luna, West Oso Elementary School Paraprofessional and Ms. Cynthia Villarreal, West Oso High School Registrar have been selected as honorees for the Women in Education Awards 2025 by the Education Service Center Region 2. Ms. Luna and Ms. Villarreal will be recognized at a banquet on Thursday, March 6, 2025, at 6:00 pm at the Omni Corpus Christi Hotel.

For 45 years, Ms. Eduvina “Winnie” Luna has dedicated her life to shaping, guiding, and inspiring young minds to be the best they can be. She has a heart of gold and unwavering willingness to help anyone in need. She knows nearly every student by name and treats each one as if they were her own. Always prepared with candy, gum, or small toys, she rewards students for acts of kindness and respect, fostering a culture of positivity and encouragement. Each morning, you will find Ms. Luna at the front doors, greeting students with a warm smile and gently directing them to breakfast. Her care extends beyond students—she looks after teachers, administrators, and custodians alike. Despite being eligible for retirement, she chooses to remain with her school family, demonstrating a level of commitment that knows no bounds. Ms. Luna is more than a colleague; she is a friend, a mentor, and, to many, family. She never hesitates to lend a hand, and more often than not, she is the first to ask if anyone needs help. Her kindness, selflessness, and unwavering dedication make her truly deserving of this recognition.

Since joining West Oso Independent School District in 1992 as a special education paraprofessional, Cynthia Villarreal has remained a dedicated and invaluable member of our school community. Now serving as the registrar at West Oso High School, she has spent over three decades exemplifying the very best qualities in education—dedication, compassion, and teamwork. Cindy’s unwavering positive attitude is one of her most remarkable qualities. Always ready with a warm smile, she goes above and beyond to support students, parents, and colleagues alike. Whether assisting a student with their course schedule, guiding a parent through the registration process, or stepping in to help a colleague, her kindness and commitment never go unnoticed. Beyond her daily responsibilities, Cindy continues to make a lasting impact on our special needs students through her work with Special Olympics and the Unified Schools program. Her dedication to inclusivity and student success embodies the heart of education. For her exceptional service, steadfast commitment, and the positive environment she cultivates at West Oso High School, Cynthia Villarreal is truly deserving of this honor.

Superintendent Kimberly Moore said, “For many years, Ms. Eduvina Luna has been a cornerstone of West Oso ISD, shaping and inspiring generations of students with her kindness and dedication.
