The West Oso ISD Education Foundation will be hosting the annual West Oso ISD State of the District event at Del Mar College on Wednesday, November 20, 2024, at the Retama Room. The theme of the State of the District will be “Voices of the Past, Faces of the Future”, and will feature a keynote address by Lance Harper, West Oso Class of 1988 Graduate, current Educator/Coach and Dallas Mavericks Academy Skills and Camp Director. The program also includes talks by current West Oso High School students, performances by the West Oso High School Mariachi and the West Oso Junior High School ACE student dance team. Del Mar College is the Valedictorian Sponsor of this event.

The focus of the State of the District address delivered by Superintendent Kimberly Moore will be “Faces of the Future”, which includes not only the district’s students, staff, and families, but its community partnerships. Superintendent Moore stated, “We are proud of the values held by West Oso ISD. These are a commitment to Transparency, Resilience, Unity, and Equity. We are an inclusive, welcoming educational family committed to providing all of our students with high quality curricular and extra-curricular opportunities. By partnering with the West Oso ISD Education Foundation and other community partners, we are able to address financial barriers to success.”

West Oso ISD Board President, Ms. Velma Rodriguez, shared, “The measure of success of any school district is how well it prepares all of its graduates for post-secondary success. The vision of West Oso ISD is to *Embrace real world education to ensure self-reliant and socially responsible citizens*. Our guests will learn how they can be part of continuing to turn this vision into a reality. This event also formally welcomes the West Oso ISD Education Foundation as a partner for West Oso ISD’s future.”
