

TEXAS ACE PROGRAM NOVEMBER NEWSLETTER

ACE PROGRAM OVERVIEW

The Texas ACE program is up and running at all campuses within the district. Our program is based upon academics to provide continuous growth after the school day, and enrichment activities that allow students to practice non-academic skills based on student-interest.

READING UNDER THE LIGHTS EVENT

Our Reading Under the Lights Event was Oso-Beary successful! Families were invited to join us in reading under the stadium lights. Books were given away to children, personal blankets were provided for families, and memories were made! A special shout out to our Cheerleaders who read to our students during the event!

Join us for our 2nd Annual Turkey Trot Event on November 15, 2025 at West Haven Park from 10am-1pm. We will have various informational booths, bounce houses, giveaways, games, and entertainment. It's sure to be a fun-filled day!

J.F.K. NEWSLETTER
