West Oso ISD is proud to announce that it is one of just 10 schools in the nation selected to receive the prestigious Yellow Library Grant. This award will provide the West Oso Elementary School with a Kendra Scott Foundation Yellow Library shelf, filled with a curated collection of diverse and inclusive books from the First Book Marketplace. In addition to the bookshelf, the grant will include funding to further support literacy initiatives at the school.

The event will also feature a special appearance by Suzette Quintanilla, who will participate as a guest reader during the donation ceremony.
