---

Dear Parent(s) and/or Guardian(s),

Every year West Oso ISD nurses perform Health Screenings for vision, hearing, spine and Acanthosis Nigricans as mandated by the State of Texas. These screenings give us early detection on problems that may inhibit the learning process of the student.

Referrals will be sent home if your child requires a follow up with a physician. Screenings will begin at the start of the school year. Remember, healthy kids learn better!

Thank you,

M. Flores, RN

West Oso ISD District Nurse
